Deborah Bouchier is a Chartered Accountant with twenty years experience in public accounting. She is a team leader and partner at Ginsberg Gluzman Fage & Levitz, one of the largest locally controlled accounting firms in the National Capital Region, with more than 100 full-time employees.

Debbie started at GGFL as a co-op student in 1979 and earned her CA designation in 1985. Thanks to her skill, judgment and hard work she developed a full accounting practice at the firm and became partner in 1994, the first woman at GGFL to do so. In 1998 she became a Certified Financial Planner. She is also a member of the Society of Trust and Estate Practitioners (STEP).

Debbie's leadership at GGFL has contributed significantly to the firm's growth. A trusted advisor, she has a large practice counselling private companies in the areas of business planning, finance, and tax and estate planning. For five years she was the partner in charge of Professional Development at GGFL and now, as an elected member of the firm's Executive Committee, is responsible for strategic business decisions. She leads the firm's mentoring initiative and as a member of the Marketing Committee coaches staff and colleagues on the development of marketing strategies.

In addition to her professional life, Debbie is active in the community. She is Treasurer of the Carleton Golf & Yacht Ladies Executive, a member of the Audit and Finance Committee and the Treasurer of the Courage Campaign for the Ottawa Regional Cancer Foundation and has been President of the Ottawa Chartered Accountants Association. She balances all of this with an active and healthy lifestyle centered on family, sports and leisure activities.
