An experienced manager, Ms. Diane Derome has been working for Desjardins Group for more than 30 years. Today, she is Vice-President, Business Development Support, Ontario Executive Division, and heads a team of 5 professionals who work daily to support her efforts to increase Desjardin's brand awareness in Ontario and to improve the performance of the Desjardins caisses populaires in that province.

She previously managed Caisse populaire Dorval—Pointe-Claire which, in 2005, earned an honourable mention for quality at the Grands prix québécois de la qualité, in the category of large service businesses. Ms. Derome also managed a Desjardins business centre and was very involved in the opening of the Desjardins Federal Saving Bank in Florida. In addition to diplomas earned from Université du Québec à Montréal (UQAM), her academic training includes the Programme de perfectionnement des cadres supérieurs (Senior Managers' Development Program) of Montréal's École des hautes études commerciales (HEC).
